THE LISTENING / READING SCRIPT

From: <http://www.businessenglishmaterials.com/amazon.html>

Amazon.com is one of the biggest success stories of the Internet. It was started by Jeff Bezos from a garage in Seattle, Washington in 1995 and is now the largest online retailer in the world. Bezos was Time magazine's Person of the Year in 1999 for popularizing online shopping. His company originally sold only books but has diversified into selling music, video games, toys, electronics and other popular ranges of goods. Amazon has cleverly marketed itself worldwide by establishing separate websites in different countries. In 2007 Amazon launched its Kindle e-book reader, which now enjoys a huge share of that market. A year later it teamed up with toy and electronics makers to sell goods with minimal packaging to help the environment. It remains an innovative leader in the area of online commerce.

WARM UPS

From: <http://www.businessenglishmaterials.com/amazon.html>

- 1. BRAINSTORM CHAT:** Write all the words you can think of about Amazon on the board or on a piece of paper. Talk about these words with your partner(s).
- 2. AMAZON MORNING:** Each student pretends to be an employee of Amazon. They walk around the class and talk about the company and their job.
- 3. RUMOURS:** Each student writes down a pretend rumour about Amazon. They then walk around the class and talk to other students about their rumour.
- 4. GOOD AND BAD:** Brainstorm good and bad things about Amazon and write them on the board. Students talk about these in pairs.
- 5. TRUE OR FALSE:** Students find out several facts about Amazon. They write these down and add the same number of things about the company that are false. Students test each other on which of their points are true or false.
- 6. FACTS:** In groups, students write down as many facts as they can about Amazon. The winner is the group with the most facts. Teacher may wish to have groups share their facts to make sure they are real.

Part 3. Make a presentation on your project. Give it to the class. Vote the best projects.

AMAZON – ROLE PLAY 1

From: <http://www.businessenglishmaterials.com/amazon.html>

Role A – Amazon CEO

You believe your company is the best in the world. It pays its workers very well and working conditions are great. Your company is very green – it cares about the environment. You think your levels of customer service are great. Disagree with person B, C and D.

Role B – Amazon worker

You think it's a bad company to work for. You're very unhappy with pay, raises and bonuses. You are very unhappy with the working environment. You don't like the company's policy on the environment. You keep hearing profits are more important than customers. Disagree with A and C. Tell D the truth.

Role C – Amazon customer

You are a customer of Amazon. You used to think it was great, but not now. Its workers are always very rude. No one ever answers the phone. You are shocked about its policy on the environment. You think all staff should get less pay. You disagree with person A and B. Tell D the truth.

Role D – A journalist

You keep hearing bad things about Amazon. You want to tell the world in your newspaper. You heard the CEO gets a huge bonus every year. You found a company memo saying profits are more important than the environment. You want to know why so many staff are ill. Find the truth.

AMAZON – ROLE PLAY 2

From: <http://www.businessenglishmaterials.com/amazon.html>

Role A – Amazon New Products Director

You have created a new product for Amazon. You believe the new product will be the company's best ever. It will be a bestseller. There are people who do not agree with you. You need B, C and D on your side. Tell them why this is a product that will bring great things to Amazon.

Role B – Amazon Marketing Director

You think the company's new product is a really bad idea. It will give your company a really bad name. You think the New Products Director is trying to destroy the company. Try to get him/her to understand there's no way the new product will sell. Try to get person C and D on your side.

Role C – Amazon Market Researcher

You have interviewed thousands of people about the new product. They don't like it or hate it. You think it will be successful if they make many changes. Tell the New Products Director he/she needs to change the product. You neither like nor trust person B. Disagree with him/her.

Role D – Amazon Shareholder

You know a lot about Amazon's new product. You are worried it will not sell and share prices will go down. You think A is crazy and must find a new job. You agree with everything B says. You don't agree with C. The new product should not go on the market.
