IBM – ROLE PLAY 1

From: <http://www.businessenglishmaterials.com/ibm.html>

Role A – IBM CEO

You believe your company is the best in the world. It pays its workers very well and working conditions are great. Your company is very green – it cares about the environment. You think your levels of customer service are great. Disagree with person B, C and D.

Role B – IBM worker

You think it's a bad company to work for. You're very unhappy with pay, raises and bonuses. You are very unhappy with the working environment. You don't like the company's policy on the environment. You keep hearing profits are more important than customers. Disagree with A and C. Tell D the truth.

Role C – IBM customer

You are a customer of IBM. You used to think it was great, but not now. Its workers are always very rude. No one ever answers the phone. You are shocked about its policy on the environment. You think all staff should get less pay. You disagree with person A and B. Tell D the truth.

Role D – A journalist

You keep hearing bad things about IBM. You want to tell the world in your newspaper. You heard the CEO gets a huge bonus every year. You found a company memo saying profits are more important than the environment. You want to know why so many staff are ill. Find the truth.

IBM – ROLE PLAY 2

From: <http://www.businessenglishmaterials.com/ibm.html>

Role A – IBM New Products Director

You have created a new product for IBM. You believe the new product will be the company's best ever. It will be a bestseller. There are people who do not agree with you. You need B, C and D on your side. Tell them why this is a product that will bring great things to IBM.

Role B – IBM Marketing Director

You think the company's new product is a really bad idea. It will give your company a really bad name. You think the New Products Director is trying to destroy the company. Try to get him/her to understand there's no way the new product will sell. Try to get person C and D on your side.

Role C – IBM Market Researcher

You have interviewed thousands of people about the new product. They don't like it or hate it. You think it will be successful if they make many changes. Tell the New Products Director he/she needs to change the product. You neither like nor trust person B. Disagree with him/her.

Role D – IBM Shareholder

You know a lot about IBM's new product. You are worried it will not sell and share prices will go down. You think A is crazy and must find a new job. You agree with everything B says. You don't agree with C. The new product should not go on the market.
